

# Legacy Rocks

## Vancouver Curling Club

The Vancouver Curling Club is excited to launch Legacy Rocks, a fundraising initiative that supports VCC's vision to grow its membership, build active and diverse partnerships while ensuring its long-term viability. Members will have the chance to engrave a rock handle with a personalized message. We encourage you to get creative: scribe a message to your team, in memoriam, or provide an inspirational quote for fellow curlers (all text to be approved by the VCC Board). A limited number of rocks will be available this first season.

VCC will be donating the first rock handle to Lola Holmes, a member of the Vancouver Day Ladies League, in celebration of her 100<sup>th</sup> birthday. As an active curler, Lola shows us that if we are young at heart and embody a positive attitude we can curl well into our senior years.

Congratulations Lola!

## Legacy Rocks The Fund

**The Legacy Rocks fundraising initiative is designed to support our own club run leagues:**

VCC is one of the largest and most successful curling clubs in Canada. To keep our Club thriving in the future we need your support in building VCC's membership.

Proceeds will support VCC's Club Leagues: Junior Development, High School and Blind & Visually Impaired, who introduce youth and new curlers to the VCC family.

**The Rock handles will be available at a cost of \$500 for a period of five years.  
At the end of five years you will have the first option to renew the rock.  
Each handle can be engraved with three lines on each side,  
with each line a maximum of 18 characters.**

**Thank you for your support!**
