February 4, 2012

Hello to all,

First, I would like to thank all of you for your participation and for making this year's Doubles Bonspiel our biggest ever with a full 32-team draw. As you may know, this is a charity event that we hold every year with all funds raised donated to the Sandra Schmirler Foundation. Their mission is "caring for babies in crises through direct giving to neonatal care across Canada."

## **SCHEDULE**

Please be sure to view the draw times and schedule by visiting the Doubles Event page - [vancurl.com/events/doubles](http://vancurl.com/events/doubles) - and you will find all of the details for the day that you may need (including a refresher on the unique rules). As we have 32 teams, there are two check-in times & two start times on Saturday morning, so please read carefully.

## **PAYMENT**

Please bring your fee of \$60 per team with you for payment by either cash or cheque prior to your first game, and be sure to note when registration and event review for your team will take place. In addition, if your team's plans have changed (ie, injury), please let us know right away as we have waitlist of four teams keen to play and we want to ensure we have a full draw.

## **FOOD and PRIZES**

During the event, we are happy to provide you with a continental breakfast when you arrive as well as a light lunch of sandwiches and soup in the afternoon. There will be prizes for the four category winners, and we will also have a small raffle draw with tickets sold throughout the day. The VCC's 2012 Doubles Spiel will hopefully see us make the Club's largest donation to date for the Sandra Schmirler Foundation. We couldn't do it without you so we truly appreciate your participation.

## **PARKING and DIRECTIONS**

For those curlers who are not familiar with our club, there is a map available from the left side of our homepage - [vancurl.com](http://vancurl.com) - to guide you to our home inside Hillcrest Centre (4575 Clancy Loranger Way, Vancouver).

When you arrive next Saturday morning, please note that the Vancouver Winter Farmers Market will underway in the far southeast area of the facility's parking lot (it runs from 10am - 2pm). Therefore, you will need to enter the Hillcrest Centre parking lots via Midlothian Avenue.

Once again, thank you for joining us this year for our fun-filled, one-day doubles bonspiel, all in support of a great cause.

Good curling,

Dianne Petrant
